

Kamala Garden View – Stylish New Pool Villas

Kamala Garden View villas sets a standard of holiday Living

Welcome to Kamala Garden View Pool homes where sensible living is defined. Your perfection is achieved through new single-detached houses with a shared or Private Pool. You will find a well-constructed home in a contemporary style. Unsurprisingly inspired by a combination of local wisdom in the Malaya tradition. From there, you will enjoy the atmosphere and scenery because of the beautiful remote mountains and hills. So go ahead and embrace modern living with sensible technology. Furthermore, you'll find our quality materials will assure that you will feel comfortable. Additionally, security and enjoyability is our trademark of this relaxing life just as if every day is your special

holiday.

This small and private living privilege is exclusive and limited to only 12 residents. Because the project land size is over 5,000 sqm. You will find the first contact at the moment you visit the property is peace. Secondly, you will be greeted with the natural surroundings of Kamala Garden View homes and the village of Kamala. Your mind will feel the relaxing atmosphere of serenity. Furthermore, the quiet tropical lushness surrounds one with the greenery of the mountains. And finally, imagine comfortable living with great facilities. The exclusive clubhouse to fulfill your ultimate living for health and happiness. All this is just a short walk from your front door.

Why live in Kamala?

The answer is simple. You can surround yourself with the comforts of a somewhat sleepy beach town. Also, Kamala Beach has long been known for its long rolling beach of fluffy sand. Which is a fabulous walk by itself in the morning. And also when watching the golden hour of sunset in the late afternoon. Now, you will find there are new and bigger shopping facilities and conveniences popping up everywhere. Because the “new residents” are asking for it.

Never before has Kamala been this way in the past because it has always been out of the way. Nonetheless, more and more people have found how convenient and enjoyable this lifestyle is. We now notice there are some very exclusive clubs and eateries in the area. This will be a grand center for nightlife and enjoyment. Friends can stay with you or enjoy the newly built Intercontinental Resort on the Beach at Kamala. If Kamala wasn't the place to invest, these major players wouldn't be investing here! This area has it all!

Everything is quite compact in an active community.

Prices range from THB 9.33 million (shared pool) to THB 10.2 million (private pool).
