

Royal Phuket Marina – 3-Bedroom Aquaminium

Welcome to waterfront living at its finest.

Are you looking for a spacious three bedroom apartment right on the pool deck level?

Then this delightful Aquaminium unit answers all of your needs. One of only four units of this type ever built, the unit is well maintained and spacious. As well as spacious accommodation it enjoys a truly indoor-outdoor feeling, with three connecting private terraces that wrap around the living room and the three en suite bedrooms. Privacy is assured with planters and landscaping between the unit and the large 20 metre swimming pool and pool deck.

A unique feature for this unit is the third en suite bedroom – a connected satellite room next to the master bedroom that

enjoys an additional private entrance – which makes it perfect as an independent guest suite.

The main rooms are elegantly furnished, the bathrooms and bedrooms are well fitted with granite, marble and hardwood and the kitchen is a fully functional separate room complete with European style kitchen units and fittings.

Offered for sale at THB 25.2 million – foreign freehold.
